SPECIFICATIONS

Overview

ATALANTA is a comfortable shoal draft cruising vessel with outstanding passagemaking performance. She's one of those boats that turns heads wherever she goes. To date, she has had just three owners, all of whom have been generous in their commitment to keep her in truly first-class condition.

With her Hood Stoway mast and well-placed self-tailing winches, she's one of the easiest boats of her size to sail shorthanded. In fact, her primary and secondary sail-handling self-tailing winches and controls for furling and unfurling her main and headsails are not only within reach of the helmsman, they are so well placed that reaching isn't part of the engagement. Her keel centerboard configuration offers minimum draft of 5'-8" with board up and 11'-4" with board down.

ATALANTA is an exceptional boat. She is sailed regularly, captain maintained and ready for her new owners and their adventures.
