## Overview

---

Originally launched in 1974 by the Fratelli Benetti shipyard, AF is currently undergoing an extensive rebuild process at MCS Shipyard in Imperia, Italy. Her interior configuration has been designed to accommodate up to six guests in three cabins and carry up to three crew members to ensure a comfortable onboard experience. Designer Luca Catino refreshed the exteriors and interiors yet preserved the original style that distinguishes the traditional shape of the Benetti canoe stern yachts. M/Y AF features a displacement hull with a typical canoe stern, a central skeg and two shaft lines on either side of a balanced rudder. The onboard systems will be renewed, and the main engines will be completely overhauled.
