Don't Miss SALTY DOG! She Won't Last Long!

The appeal of a great express boat like the Robalo 265 can be summed up in a single word: VERSATILITY. Half fishing boat and half weekend cruiser, express boats are a great choice for anglers with active families. The 265 Walkaround is built to handle big water with confidence. Like all late model Robalo boats, the 265 rides on a Kevlar-reinforced hull, a costly manufacturing process that makes for a near-bulletproof hull. Fishing features include a 33-gallon transom livewell, 40-gallon fish box aft of the helm chair, large cockpit fish box, and bait prep center. Below, the 265's well-appointed cabin boasts a galley with refrigerator and microwave, an enclosed head with shower, convertible V-berth/dinette, and rod holders. The glossy maple woodwork and teak-and-holly cabin sole are nice features. On deck, a full-width transom

seat flips out of the way for access to the livewell. A raw-water washdown is standard. There's space at the helm for electronic add-ons. Note the premium cockpit upholstery and near-flawless gelcoat. The hull is foam-filled and unsinkable. Yamaha 200s top out around 45 MPH.
