SPECIFICATIONS

Overview

Available now! Located at our office for viewing.

The first Riviera 4800 Sport Yacht Series II Platinum Edition ordered for inventory has arrived in Seattle. This Riviera 4800 is also referenced as the Emerald Edition because we have thoughtfully selected many factory options (standard and custom) and have selected a décor package that will appeal to all.

Styling that takes your breath away in dazzling sliver grey, black and white. The flowing indoor-outdoor living plan shines brighter than ever with more luxury touches and practical enhancements.

There are new design refinements everywhere you look – improved, more functional layouts, new cockpit wet bar, new galley benches, new saloon and cockpit lounges, new headlinings, new fabrics, and much more.

In the accommodation deck, discover two designer staterooms and bathrooms with the option to enlarge the master stateroom. The new helm, a picture in silver and black, features smart new instrumentation and just wait until you settle into the plush new Recaro helm chairs. At your command is the Volvo Penta Inboard Propulsion System with joystick control.

Riviera and Volvo include some of the best warranties in the industry.
