SPECIFICATIONS

Overview

The Carver 455 Aft Cabin Motor Yacht shows as new and is turn-key ready. It has been retrofitted with Bose speakers through out and is in pristine condition.

The three-stateroom layout of the 455 the galley is aft in the salon rather than forward as it is in most motoryacht this size. This makes galley access easy from the aft deck and bridge while at the same time pushing the salon seating and entertaining areas forward. Also notable is the aft-facing queen bed in the master stateroom. The three-stateroom interior of the 455, the forward VIP stateroom is very large, and a folding bulkhead conceals a small guest stateroom to port with convertible bunk beds. (By leaving the bulkhead open the space becomes part of the forward stateroom.)

Additional features of the Carver 455 Aft Cabin includes maple wood interior trim, tub/shower in the forward head, wing doors, and molded transom boarding steps. This 455 is also retrofitted throughout with Bose speakers.
