## Overview

---

The Tiara 3500 Open charges across the open water with confidence and grace. A distinct profile that is commended and respected out on the water.

The salon seating is great for entertaining and it converts into an upper single and lower double berth when staying aboard. The galley is opposite the settee and features great storage and convenience when preparing meals or snacks. The big lounge next to the cockpit steps can be converted into a private stateroom at night, and both sleeping areas have folding privacy doors instead of curtains. The master berth is forward and placed diagonally for additional leg room and comfort. The head is full sized and features a vanity and shower stall.

The helm is well laid out with controls, gauges, and optional electronics being within easy range. The helm features an electric helm seats that's perfect for sitting or standing when operating the boat. To port there's an L-shaped lounge seat for guests and crew alike, and just aft of the helm is a convenient wet bar with sink and ice maker beneath to prepare all your favorite beverages.
