Overview

Winter Sun is a fine version of the Catalina 36 MK II. These boats are popular thanks to their, light, spacious and versatile interior and their impressive sailing ability. Winter Sun's first owner had a custom storage cabinet built beneath the chart table adding to the storage capabilities. The large dining table, which stows on the port, forward bulkhead and can drop down to form a double berth, as well as the breakfast table to starboard, which can convert to a seat, makes the interior of this vessel extremely versatile.

Winter Sun has the following equipment:
