SPECIFICATIONS

Overview

This Lazzara 80' features a master stateroom and two VIP staterooms located amidships with two additional cabins forward that can be used for guests or crew. The Skylounge has an automatic reclining sleeper sofa. Each stateroom onboard has a full ensuite head. A dayhead is conveniently located on the starboard side of the vessel between the salon and galley.

The main salon is a large and beautifully appointed area with formal dining accommodations and a large U-shaped sofa with a coffee table. The aft starboard corner features a custom wood entertainment center with flat screen TV and A/V equipment.

Located between the salon and galley is a beautiful buffet area with china, bottle, and glass storage.

The large spacious galley features a new full-size refrigerator, new dishwasher, new trash compactor, and richly appointed features usually reserved for much larger vessels. The open layout is great for entertaining and conversing with guests seated at the large L-shaped dinette table forward of the galley nestled below the large forward house windows. Port and starboard wing doors offer perfect access to the bow for sunbathing and lounging. Forward of the galley and dinette area is the study and additional guest or crew accommodations. Equipped with a large desk/office area and private laundry facilities, two heads, and two staterooms with sleeping for four, this area is completely isolated from the owner and guest staterooms.

Located on the starboard side of the forward salon, a spiral staircase leads down to a very large landing area accessing the master stateroom aft and two very comfortable VIP staterooms forward. The landing area houses an additional refrigerator, washer/dryer, huge storage spaces, and closets.

The Master Suite is luxuriously appointed and very spacious and comfortable. This inviting space is the perfect getaway after a fun-filled day. There are full-size his and her dressers, night stands, and chairs on both sides of the very large king-size berth. Ample storage and a huge walk-in closet leave plenty of space for all the clothing and apparel an owner could ask for. The bulkhead in front of the bed houses a TV and entertainment system.

The master head is very large and features a huge Jacuzzi tub/shower, fresh water toilet, dual vanity, linen closet, marble flooring and countertops.

Forward of the landing area is the two large VIP staterooms, each with a spacious ensuite head. Each stateroom offers a queen-size berth, generous drawer and closet storage and TV's with entertainment systems.

The Skylounge, accessed via a staircase from the galley/dinette area is an inviting space with a sliding door accessing the aft boat deck. Walking aft outside onto the boat deck, the vessel houses a large seating area with a table and sunchairs, offering another great outdoor space.

The lower aft deck features a wet bar, seating area, and tables to both port and starboard. Access to the salon is via a sliding stainless steel frame door.

The cockpit is located down a staircase from the lower aft deck and features all the fishing amenities of a sport fisher. Rod holders, fighting chair, baitwell, huge fish boxes, etc. As well as a BBQ. While you can relax and lounge in total comfort and luxury almost anywhere on this beautiful yacht, the cockpit is reserved and set up for fishing action and on-the-water fun!
