SPECIFICATIONS

Overview

Matilda E is a 2017 25' South Shore Boatworks Gurnet Point Downeast pilothouse cruiser in very nice condition. She was built by Bob Fuller at South Shore and designed by Jamie Lowell. She includes a 200 HP 4 stroke Yamaha outboard, Zipwake dynamic trim control system, Loadmaster dual axle trailer, Webasto reverse cycle air conditioning/heating system, Simrad electronics, v-berth, galley and composting head (Never used). Her interior is simple, clean and a great example of Bob Fuller's eye for detail. She is a head turner and would be a great weekender for the Chesapeake Bay or back in New England.
