SPECIFICATIONS

Overview

The Adventure 32 is a step up in size from its smaller counterpart, providing more space and opportunity to customise the high volume, low draft yacht to suit the needs of its owner.

A high bow is perfect for tackling rough seas, whilst the large aft deck and swim platform provide a close connection to the water and allow for the easy launch of numerous tenders and toys.

Above the main deck is an open sociable area with ample seating aft and an inviting al fresco dining area. For those wishing to follow their voyage more closely, seating within the wheelhouse provides unobstructed views, as does the forward open seating area close to the bow.

Once the desired destination has been reached and the tenders and toys are launched, the guests can make use of the 40-square-metre deck which is within a few steps of the water's edge.
