SPECIFICATIONS

Overview

Sporting a designer interior with a huge cockpit and a fully enclosed bridge, the sleek Cheoy Lee 60 sportfish remains one of the more aggressively styled big sportfishing yachts in the late-model marketplace. Built on a so-called double V bottom and Carolina flare bow, the ride is soft and dry. With more than a 20-foot beam, it's hardly a surprise to note that the overall accommodations of the boat rival those of a good-sized motor yacht. The cockpit is fitted with in-deck refrigerated fish boxes, live bait well, (4) tuna tubes, Eskimo ice chipper, and direct access to the engine room. Topside, the air condition enclosed bridge is very spacious and offers big boat sky lounge amenities including settee, wet bar, and three custom helm chairs.

"Four Aces" has had a complete refit from top to bottom including her CAT engines being completely overhauled (2017). All new appliances, electronics, soft goods, AC's, carpet and headliners and LED lighting throughout. This boat is in turn key condition and ready to fish.
