SPECIFICATIONS

Overview

With a 18.80 m (61'6") LOA and 5,38 m (17'6") BEAM Bluegame, 62 was conceived from the desire to combine large comfortable areas with the traditional seaworthiness of all Bluegames, allowing its owner, with the help of the advanced Volvo IPS propulsion system, total freedom without the need of crew, equipped with a large cockpit, a walk-around protected by high edges for secure and safe operations in the open sea, and ample visibility when maneuvering, thanks to the central control station and the reverse glass. An uncompromised open boat with unique design, high bow, distinctive deckhouse, and spaces for any need, including three sun lounges and relaxation areas.
