Overview

One of Beneteau's Best Designs

Loaded with Equipment and Ready To Go!

Be Sure To Watch The Walkthrough Video

Lagniappe is an excellent example of one of my personal favorite Beneteau designs. There is a lot to love about the 423, and Lagniappe has everything needed to starting cruising immediately.

The 423 is a very well rounded cruiser with a powerful but simple rig that is easy to handle short handed. Her spade rudder and bulb keel make her very responsive, and a cinch to back into her slip. Boarding is easy from her stern with the open sugar scoop transom. Her galley is massive with plenty of refrigeration and freezer space. Her comfortable salon, two large stateroom, and two complete heads have a ton of natural light and plenty of ventilation. Engine access is simple via a lift up stairway.

Her owners have consistently upgraded and maintained her. Her engine, bilges, and machinery spaces are clean, dry, and well organized.

If you are in the market for a turn key cruiser, then take a close look at **Lagniappe!**
