SPECIFICATIONS

Overview

With a gross tonnage less than 500 tons and with 5000 Nautical Miles, the Floating Life and the Satura Studio design teams have created a very unique project which allows one to travel the world with full pleasure and relaxation.

The project can be customised by the owner and the design team will full-fill the needs and the wishes of the client.

This yacht provides an area with complete privacy which is able to make the owner feel more at home and at ease. It is also the perfect combination of both speed and size which incorporates the idea that gives dynamic, masculine and sporty lines.
