## Overview

---

The Ocean Alexander 46' Double cabin is a timeless Ed Monk design with two double staterooms and a central entertainment area. A large yacht for her class, this layout features a roomy salon, galley with dinette, with teak throughout. Visibility from the salon is unparalleled for ease of navigation with the optional lower control station.

The Ocean Alexander 46' Double Cabin was also sold as a 42' model without the fishing cockpit.

While similar to the popular 42'/44'/46' Sundeck model the 46' Double Cabin features a slightly wider beam with the same layout.
