SPECIFICATIONS

Overview

M/Y Nassima was built for an adventurous owner.

The Key Features of the yacht:

- **Large aquarium** from floor to ceiling on the main deck (**the only yacht of this size, which has such feature**)
- Luminous bar on the sundeck
- Timeless interior design
- **Full-beam fully equipped Gym** (one of a kind for the yacht of this size)
- Long range
- Possible to store a small car and/or motorcycles in the garage

The yacht is an excellent choice for a private use, for an owner with a big family who would like to cruise around the world to explore new destinations, or for a 'classic' use in the Mediterranean / Caribbean, as well as for commercial use.

The yacht has just finished the maintenance works and ready to be viewed anytime in the marina Vilanova in Spain.

The current price reduction of € 3 millions makes this deal extremely interesting for Dutch built 49m yacht, 2012.

Do not hesitate to contact for more details. Prompt replies are guaranteed.
