SPECIFICATIONS

Overview

In the fall of 2019, we extended our lineup of center console boats with the 31T Aventura. At 31 feet, 7 inches long, it comes with a load of standard features for comfort and functionality. The hardtop center console has spreader lights, a three-sided windshield and four fishing rod holders. We've equipped this model with a Polk Audio system that's Bluetooth and SiriusXM capable. The freshwater pressurized system includes a sink and transom shower. On top of that, we provide forward-facing, U-shaped lounge seating with in-deck storage and a table. For your fishing activities, each of our 31T Aventura center console fishing boats has a bait prep station with locking tackle storage and a cutting board. You can take advantage of the insulated overboard draining fish box and raw-water washdown system. All of these features make this fishing yacht one of the best no-frills center console sport fishing boats on the market.
