SPECIFICATIONS

Overview

At Stamas we often point to the 33T Aventura as a sterling example of what we mean by the term Legendary Trust. Part of our model heritage for years, the hull, built with closed-cell foam for flotation is quite simply as close to perfect as possible. One ride across a choppy bay and you'll feel how the Aventura's 33T smooth's out the bumps while earning another moniker - not just fast - Stamas Fast. With a curvaceous flare up forward and a transom deadrise at 24 degrees, the boat is seakindly for offshore adventure. All major components are glassed together creating a superior strong quiet ride. Over the years we've updated seating, adding sturdy hinges, gas-assist struts where helpful, and by and large taking advantage of fresh tooling to make the boat simple, yet functionally elegant.
