## Overview

---

The Sunreef 60 Loft is a performance-oriented catamaran with accommodation for 10 guests in three beautifully appointed cabins. The heritage of the shipyard's long experience in building and designing luxury, custom-made yachts inspired the Sunreef 60 Loft's concept. She was created to respond to a growing demand for yachts with a comfortable layout and optimized specification. Many recent additions were implemented, including a Bauer Junior dive compressor and full KVH satellite communication systems. She is ready-to-sail and looking for a new owner.
