Overview

COMPLETELY KNOTS is the finest example of Viking's Flagship Skybridge 92' on the market today. The original owner worked closely with Viking to customize this 92' to ensure the comfort and safety of his family, guests, and crew and in turn has created a perfect platform for fishing or luxury cruising for the entire family with amenities only offered in Mega Yachts. The enclosed bridge affords a quiet, stress-free environment for long relaxing cruises in any weather, while the skybridge gives you the fantastic views that a traditional tower offers but with easy and safe access with comfortable and ample seating to enjoy the ocean breezes. The present owner and his crew have maintained COMPLETELY KNOTS to the highest mechanical and cosmetic standards and she is ready to be delivered to the next fortunate owner.
