## Overview

---

At 42 metres in length, Marquis will stand out from the rest in the very best way. With three expansive decks to explore, you'll feel spoilt for choice with the many relaxation areas perfectly positioned for you to enjoy the very best of the superyacht life.

Comfort onboard is paramount, which is why tinted glass bulwarks have been fitted on the aft decks to not only provide you with complete privacy, but also protection from the wind without obstructing your outlook. At every turn, Marquis will delight and surprise you. And in every room you'll notice the expert detailing and craftsmanship that sets her apart.

Your full beam master suite, with an open plan lounge and study, also includes a full bath and shower. A well designed floorplan allows for dedicated crew routes across each deck, which translates to increased privacy for you and your guests and quick access to each deck for your dedicated crew. Marquis also comes with space for two tenders. A crew tender and a larger guest tender with a fixed crane for easy deployment.

The multi-purpose beach club with a dedicated day head and large swimming platform will allow you to be as creative as you like with this space. A gym, sauna, relaxation zone.. the choice is entirely up to you. Making your way up to the bridge deck, you'll find this versatile space has been thoughtfully designed to provide you and your guests with a private bar, indoor lounge and large alfresco dining. This area can easily be extended to double the indoor space, a benefit for those located in warmer climates and who like the comfort of the cooler indoors.

If the warm breeze and sunshine is more for you, the plunge pool positioned on the sun deck surrounded by fixed sun pads will entice you to enjoy the views from the very best spot. The configuration can of course be tailored to your wishes.

As you can see, Moonen Marquis is well equipped to cater to your every desire. And with a shallow draft, she is perfect for entering any superyacht marina across the globe!

Discover the magic of Moonen, with the Moonen Marquis!
