SPECIFICATIONS

Overview

With an increase in size comes an increase in the ability to really impress. This 65' Squadron appears to go one step further than similar sized boats on every level. Sumptuous furnishings and hand-worked cabinetry are hallmarks of the Squadron range. Nowhere is it more elegantly expressed than in the long, wide single-level interior - a testament to the 65's ingenious flat floor design. Having such uncomplicated, single floor levels is normally reserved for much larger yachts, but our designers have achieved just that on this 65'. An elegant, beautifully proportioned Squadron awaits you. She accommodates 8 guests in 4 marvelous staterooms and 2 crew onboard in 1 cabin. She can reach up 34 knots with her 2 x 1180 hp CAT engines easily.

KEY FEATURES

- Hydraulic Platform
- 3.25 m Williams jet tender
- Underwater lights
- 27 kw Onan generators
- Rigid swim ladder to bathing platform
- Engine hours 600 h (July 2020)
