### MARIN YACHT FOR SALE

The sporty yet sleek motor yacht MARIN is the idyllic vessel for those seeking a true oceanic experience. Built for outdoor enjoyment, she boasts numerous deck spaces that each serve a different purpose. Both forward and aft, each designated area offers guests varying opportunities for either intimate gathering, exquisite dining experiences, panoramic sunbathing, and entertaining.

In true Sunseeker fashion, interior areas are plush, modern, and inviting. Semi-gloss wood paneling throughout creates a natural space to take refuge from the elements, and accommodations give guests all the creature comforts one gets from home.

### Motor Yacht MARIN Sun Deck

Beginning at the top, an elevated spa pool gives guests a proper 360-degree view of the water while enjoying a jet massage. This space is blanketed with sunpads to soak up the rays or take in the latest summer tome. Just beneath the arch, a long rectangular table for dining at the top is faced by a flatscreen outdoor television, where guests can enjoy al fresco meals.

### MARIN Yacht Exterior Experience

MARIN's main deck exterior is where guests access the water directly via a full-beam swim platform. Just up the port or starboard steps, a round dining table with seating neighbors plush floor cushions on which to relax. From this space, entry to the main salon is through sliding glass doors.

Up one level, the aft outdoor area boasts a rectangular table under a hardtop, shading guests from the sun. Just behind, an oversized U-shaped sofa is peppered with colorful throw pillows and offers yet another lounging space to either enjoy a cocktail or simply take in the views. Entry from here is to the skylounge.

### Interior Areas Aboard the MARIN Yacht

Bathed in satin walnut, MARIN's interior areas are designed in various gray hues styled to create a lush atmosphere. The main deck salon greets guests with two oversized velvet sofas that face each other to create the ideal conversation space. Just forward, a formal dining area features a large table, and the entire room is flooded with natural light thanks to her expansive windows. The crew has easy access to the galley from here, ensuring prompt service.

Up one level, another gathering area is found in the skylounge, where a U-shaped leather sofa is the ideal spot for an afternoon nap or a good read. A large rectangular table inside is perfect for an indoor lunch or a competitively friendly board game.
