Overview

Here is a great opportunity to be one of the first to view this very well kept 38' Fast Trawler which has just come on the market. Her owner who has kept her in tip top shape is moving on to a larger boat to accommodate a growing family. This vessel has been in full commission as recently as the Spring of 2021 when the owners put it into storage mode for storm season. As of Oct. 6, 2021 she is in Fort Lauderdale, Florida.

Of course, better photography will be available and posted when possible.
