SPECIFICATIONS

Overview

This well known, classic power yacht is admired by her hundreds of followers up and down the East Coast. She was designed by Eldrige McInnes and expertly crafted in 1966 by Goudy & Stevens in Maine. A sistership to Cassair and Black Knight, she has been well maintained over the years and was extensively rebuilt in 1992. Her large owner's cabin and twin guest cabins aft make her ideal for charter or personal use. She can easily be seen in Gloucester Point, Virginia where she has been under the same care for the last 20 years.

The owner's health has forced him to put her on the market at a very reasonable price. However, he is very anxious to complete a sale this fall, so all offers will be considered.

Basic Information

Category: Motor Yacht

Sub Category: Classic

Model Year: 1966

Year Built: 1966

Country: United States

Dimensions
