SPECIFICATIONS

Overview

LAMLASH is a highly customized Little Harbor 58/60 model with one foot added to the standard 58 hull for a longer aft deck, draft reduced by 8" to only 4' – 6" with centerboard up, and mast height slightly lower (20") to provide 75' bridge clearance. She is also one of only two in the series that features a centerline queen berth aft. Like her sisterships, LAMLASH can be easily sailed by one thanks to a cockpit design that is second to none – all sail controls and winches are at the helm, and easy side exits to main deck without climbing over a high coaming – along with a long list of equipment for easy, safe extended cruising. She also boasts finely crafted joinerwork above and below decks that is seldom if ever seen in newer yachts today. Imagine where one can go in such a comfortable yacht with only 4"-6" draft!

Without a doubt, LAMLASH is one of the finest pedigree sailing yachts available today.

Basic Information

Category: Cruising Sailboat

Model Year: 1990

Year Built: 1990
