Overview

Mainship 430 is known as a “fast” trawler. The boat hull material of Mainship 430 is fiberglass, a 15’6” beam that makes it a wide boat with lots of storage space. The 1999 trawler has traditional trawler styling as it has a trunk cabin but a good turn of speed. In other words, the 43 ft Mainship 430 trawler is a combination of classic boat design and innovative engineering and modern manufacturing methods. Mainship Corporation continues to be an excellent boat manufacturer that focuses on high quality, comfortable, low maintenance yet affordable trawlers.
