SPECIFICATIONS

Overview

CL Yachts' new flagship, the 29.5-meter CLX96 is the brand's first crossover yacht. In collaboration with international designer Jozeph Forakis, CLX96 is a triumph of contemporary design. She is the winner of the Bronze A' Design Award and winner of a prestigious GOOD DESIGN Award as well.

With her striking and bold exterior, double reverse-angle house and versatile open layout, this yacht ignites the spirit of exploration. Two distinct social zones – the Terrazza Portoghese and Piazza del Sole, offer an array of entertainment options unique to CLX96. With an abundance of natural light and panoramic views all around, the spacious salon further elevates those moments of connection with family and friends.

Her lower deck features luxurious and comfortable accommodations including four staterooms and two crew rooms. Combining natural and high-tech materials for a modern aesthetic, the full-beam master stateroom features a real skylight that is paralleled by the VIP suite's virtual skylight.
