SPECIFICATIONS

Overview

Great vessel for sale, well maintained everything works as it should.. has 1 burner butane stove, 2 pump sinks, Jabsco marine toilet, depth finder and knot meter.. has the Yanmar 1gm10 that runs beautifully and starts up 1st turn every time, meticulously maintained, just this year I changed all the hoses out, replaced starter, replaced alternator, replaced fuel filters, replaced impeller, and changed the oil and transmission gear oil all this summer, along with replacing the 2 batteries with new ones.. I don't really know how to sail so i wanted to make sure my motor was always in tip top shape and I wouldn't be afraid to motor it anywhere, I motor up and down KY lake all weekend every weekend and will continue todo so until its sold.. 1 of the queen bunk cushions needs to be recovered but other than that this boat is great. The mainsail appears dirty but in good condition and the jib is in good condition.. feel free to come see it for yourself I'm sure you will love it..

Basic Information

Category: Daysailer
