SPECIFICATIONS

Overview

Nauti Gurl is a stunning 2006 Regal 4460 Commodore that will turn heads and command attention, both on the water and at the dock. Her fixtures, finishes, and workmanship are all first class - everything that is expected of a Regal. The company began in 1969, and is now a second generation family business, headquartered in Orlando, FL. Regal is consistently acknowledged and awarded for their innovative designs and quality manufacturing.

The current owner uses a certified Volvo Penta marine mechanic for all work and routine maintenance. There has been so much done to this vessel that the owner says it is like buying a new boat! The port engine was replaced in 2008, by a previous owner; the starboard engine is in the process of being replaced with an engine ordered directly from Sweden.

Nauti Gurl is a sophisticated express cruiser; this girl has style and flair, and her pod drives make her handle like a luxury sports car.

Basic Information
