SPECIFICATIONS

Overview

First class pedigree: Frers naval architecture for the exterior, Sinot design for the interior, and built in the Netherlands by KM Yachtbuilders. Launched in 2012 she is a true sailor's yacht. Designed and built for a very experienced Dutch owner who wanted to go anywhere, she has proven to be a true worldcruiser. Aluminum hull and superstructure, carbon rigging, liftkeel 3m20/5m10, super isolated and soundproofed.

Tulip has her full beam master cabin plus two comfortable guest cabins forward, all with bathroom ensuite. The guest cabins can accommodate three guests each. Crew quarters for two are aft, excellent privacy. Tulip was built with no expenses spared and she is for sale now for the first time. A sleek and timeless beauty with an edgy touch. Always used privately by her owners, never chartered. Lying Palma. VAT paid.
