Overview

SPACE AND LIGHT

Space and light merge into a single concept: the real protagonist aboard the Navetta 48. With this yacht, Absolute has captured the essence of the Navetta line. This comfortable boat is perfect for long journeys: she has ample storage spaces, such as large closets, and an aft crew cabin with a private head that is accessible from the stern platform.

The outdoor space is unparalleled compared to similar boats in this segment. It offers a very high level of livability and comfort throughout the exterior accommodations.

The flybridge has no steps front to aft while the dashboard, centrally and ergonomically placed, allows for the presence of a sun lounger that can accommodate up to five people. Aft on the bridge is a spacious living area with a U-shaped sofa, a teak dining table, and a galley equipped with a refrigerator, an ice maker, a barbecue, and a sink. All of these amenities make the terrace the perfect spot to enjoy the most beautiful hours of the day.

Moreover, the bow is easily accessible via walkways, protected by the cover of the fly itself, and offers a comfortable, modular relaxation area.
