SPECIFICATIONS

Overview

“Running Tide” offers an amazing opportunity for you to join the exciting yachting lifestyle with family and friends! She will also serve as the perfect solution for many exotic ocean-going adventures, cruising through the beautiful Caribbean Islands, or for the perfect “9-month getaway” touring around the Great Loop. This vessel is an easy owner operator yacht with an abundance of user-friendly systems. Her semi-displacement hull with twin strut keels allows you to operate like a trawler cruising efficiently at 8 knots, achieving roughly 1 nautical mile per gallon or cruising at 17 knots when you want to cover greater day distances. When you own a Marlow Explorer, you own what yachtsmen everywhere recognize as the finest piece of marine real estate in the World.
