SPECIFICATIONS

Overview

Renata Aquariva 33' Super was built in 2017 by the historical Riva shipyard in Sarnico. She is a special edition **signed by Sir Elton John** and sold during a charity event in Monaco. Being lightly used by her unique owner in 2017-18 and then stored, she is now in like-new condition. She retains **timeless allure with a fresh contemporary twist** in her cutting-edge, high-tech equipment. Soft, elegant lines reflect Riva tradition, enhanced by beautifully carved mahogany decks inlaid with maple. The combination of her blue metallic hull and the white cushions makes her elegant and unique. The Bimini top is completely automatic, as the engine room hatch opening. There are **many custom-made features** onboard, including the Riva aluminium steering wheel. High-quality finishing throughout, with hand stitching on the upholstery. **This is an unmissable opportunity to own a special and beautiful Riva.**
