## Overview

The New Flag ship of Absolute HAS ARRIVED

### 73 Navetta

The new 73 has 4 master staterooms and full crew quarters. This boat is scheduled to arrive in Florida for the spring 2019 boat show season. If you are planning on boating in Florida this will make a perfect get away!

Absolute is inspired by people who love, respect, know and own the sea, just like real old salts can do. This is how the “**Navetta 73**” was born, the right answer, in many cases. She is a real boat.

Navetta 73 looks **proud** by a strong constitution appearance, but can immediately **embrace** you with great safety. Access on board can be chosen from one of the four entrances, two of which are on the stern platform and two directly from the side passages. The feel of safety is confirmed by side high bulwarks and by the protection gunwale along the entire edge of the main deck and flybridge; the handrails are available along all passages, the deck is in teak and non-slip surfaces without steps up to the side pilot door.
