SPECIFICATIONS

Overview

ALDONZA was built by Astilleros de Mallorca, where Willem de Vries Lentsch personally supervised the design, construction, and specifications of the yacht. Which created a blend of Northern European design with Southern European functionality. Custom-built with rigorous attention to detail, ALDONZA boasts a classic interior, finished in teak and Myrtle root. Fixtures and fittings are in granite, onyx, marble, lapis lazuli, and leather upholstery by Bentley. Refit in 2011 with a complete hull paint job in 2019, she has been meticulously maintained by an excellent crew led by the Captain who has been with the vessel for ten years.

She is in excellent mechanical and cosmetic condition. The overall feel of ALDONZA is that it is set up to entertain both large and small gatherings. Aldonza has a great feeling of spaciousness without losing those areas that are more intimate.

Basic Information

Category: Motor Yacht

Model Year: 1995
