SPECIFICATIONS

Overview

This is a modern classic; a luxury motor yacht with a serious fishing bloodline designed to pamper and excite. Uncompromising Riviera quality and attention to detail throughout. Both the Riviera 54 and 57 Enclosed Flybridge models share outstanding, innovative design traits; free-flowing alfresco living plan connecting the saloon, mezzanine lounge and dining through to the generous cockpit. Venture below and the accommodation deck welcomes with the natural light of large hull windows complete with opening portholes. There are three spacious staterooms including a magnificent full-beam master stateroom and two designer bathrooms. And guests love that 'travelling first class' feeling when invited up the internal staircase to the magnificently equipped flybridge with twin helm chairs and luxurious forward lounge.

Propulsion: twin Volvo Penta D11 IPS 950 turbo diesels delivering 725 hp (533 kW) each.
