## Overview

---

After the commercial success of its legendary series 1800 / 1900 / 2200 fly and the construction of over 80 units, the launching of the new Couach 2300 Fly comes as a major event for all passionate Couach clients and fans of the Brand. The 2300 fly combines the ultimate technological innovations and aesthetics developed by the shipyard. ARMONEE offers an incredible level of luxury on board. Instead of the usual four guest cabins, the yacht has three larger guest cabins, with an additional dressing area for the VIP's suite. The interior design's grey and beige palette remains refined and relaxed throughout the yacht. The precious wood, Italian marble and mosaic, carpets, parquet and teak are selected from the best manufacturers. ARMONEE also offers a last generation of automation systems for entertainment, lights and blinds. ARMONEE features zero-speed gyroscopic stabilizers for guest comfort at anchor, and has twin MAN 12V 1400 diesel engines providing a cruising speed of 24 knots and a top speed of 34 knots. Nevertheless she is an extremely quiet yacht. Thanks to her underwater exhausts the noise level has been reduced to 68 dB @ 1600 rpm. Vibration has been also reduced at minimum due to specific mounting of engines.
