SPECIFICATIONS

Overview

Lady M is a 2018-launched 40m Sunseeker, one of the highest specified examples of the prestigious and popular 131 model. Her owner is meticulous and has maintained the yacht to an exemplary standard since new.

Lady M's stunning and unique interior décor is the work of British designers Vickers Studio, who state "the styling idea in the shapes and details are based around 'fluidity and flow', with ripples appearing from the exterior bar fronts to the table feature panels and the light features". The designers had a great influence on the build and altered many features on board, including raising the ceiling heights and expanding the upper saloon to incorporate a luxury bar area, and she benefits from a gorgeous Wenge gloss wooden finish. The yacht boasts many distinct areas to socialise and relax in, each as luxurious and well-appointed as the next. Polished dark woods and bright whites create a sleek, modern interior, with accents of blues giving the rooms warmth and character.

Basic Information

Category: Motor Yacht
