## Overview

---

The Fiesta 300 series is one of Rinker's most popular models. With only 60 hours on the Mercruiser 5.0 MPI engines, this girl is ready to run! The cockpit on this vessel is designed for comfort with a lounge seat to port, double helm chair to starboard and large aft seat. The wet bar to starboard hosts a refrigerator, deep well sink with hot/cold water and aft is the transom door. The well appointed double helm has easily accessible controls ,steerage & electronics. A walk through windshield allows easy access to the forward deck. This Rinker has a full enclosure along with a mooring cover. The interior hosts wrap around seating with a settee forward, galley and head to starboard and a couch to port. The aft cabin hosts its own storage counter and drawers. This gently used mid cabin cruiser provides comfortable sleeping arrangements for two couples or a family of 4 or 5. With her low hours this girl needs nothing and wont last on the market very long.
