Overview

A finalist at the 2018 World Superyacht Awards with an interior designed by Radyca, LAURENTIA blends indoor and outdoor living seamlessly with sliding glass doors and floor to ceiling windows that bring a feeling of light and openness to the inside spaces. LAURENTIA is a unique concept in engineering and craftsmanship; one that surprises you with many luxurious features. From her sleek exterior to the elegant interior, her technology and design experts have created a yacht that breathes Heesen's passion for exceeding expectations. A spacious sundeck with amazing views is equipped with a jacuzzi, sunbeds, a sit-up bar, and shaded alfresco dining. The upper deck aft has dining and lounge areas, and there is more lounging on the main deck aft, which transforms into a cozy outdoor cinema at night. A more intimate Portuguese bridge seating area forward on the upper deck means there's a space for every mood. She has a fabulous beach club, air-conditioned with lounge seating and exercise equipment for waterside workouts, and her extensive range of water toys means guests will have a fabulous time in the open air. Inside, LAURENTIA is the ideal craft for entertaining and leisure, whether that's sitting around the sky lounge bar, watching movies outdoors, or sitting back in the spacious main saloon after formal dining. She welcomes 12 guests across six staterooms: a full-beam master suite on the main deck and a full-beam VIP, two double and two twin staterooms on the lower deck.

Not for sale to US residents while in US Waters.
