## **SPECIFICATIONS**

#### **Overview**

MIDNIGHT (ex: Melita II) was designed by Sparkman and Stephens and built by one of Europe's finest yards, Weaf Gusto of Holland. MIDNIGHT will appeal to those desiring traditional lines and heavy fiberglass construction. Full keel underbody with private aft stateroom and two heads. Only two owners since her original commission. MIDNIGHT is in excellent shape – she has had numerous refits and is perhaps, in many respects, better than new.

Her long keel and wine glass sections give a comfortable motion in a seaway and instill confidence in her ability to handle any condition. Her displacement of 13 tons ensures she reacts calmly to wash and chop, and is surprisingly stiff.

She finished 2nd in class in the 2011 Marion to Bermuda race, including Marion Town Trophy.
