SPECIFICATIONS

Overview

Recently put on the market, this Canados is second to none. The Luxury motor yacht URSUS (VAT PAID) is a Canados 888 EVO that has been maintained in perfect condition. This luxury yacht is the epitome of a modern classic. From her interior to her exterior is a seamless blend of modern with classic touches. She is a yacht whose style and grace will never go out of style.

The minimalistic, contemporary interior of URSUS is stunning. Curved floor-to-ceiling windows perfectly complement the yachts styling. The expansive windows blur the lines between inside and out, providing endless sea views while enjoying the comfort of the salon as well as fill the space with an abundance of natural light. The motor yacht's 21-foot (6.4m) beam is on average 20cm larger than her competitors. This additional space is felt throughout the main salon.

URSUS welcomes nine guests in the comfort of four beautifully styled staterooms. Her full-beam master stateroom showcases a double-bed, leather sofa, walk-in wardrobe and en-suite bath with a marble shower and marble his-and-her sinks. The luxury yacht's additional staterooms include a VIP stateroom with a double-bed and twin-bed staterooms — one of the twin staterooms also has a Pullman. All staterooms are complete with an en-suite bath with a shower. Additionally, the yacht has accommodations for three guests in two staterooms.

This Canados yacht boasts one of the largest, if not the largest, flybridge in her size category. The flybridge features lounge seating, alfresco dining and sunpads. Additionally, a retractable sunroof integrated in the hardtop provides shade and sun as desired. On the main deck aft is additional alfresco dining and the foredeck has a dinette and sunpads.

Stability has a high priority in the build of this Canados motor yacht. Her superstructure is made of fiberglass, which lowers the barycenter and increases the stability. Additionally, URSUS boasts impressive speed. Equipped with Caterpillar C32 Acerts she has a cruising speed of 27 knots and a top speed of over 32 knots.

She just left the yard with brand new stabilizers, upgrading the comfort to the next level. don't miss her.
