## Overview

### EVOLUTION THROUGH OUR EYES

Born to reveal new and endless possibilities, the *60 FLY – The Absolute Prisma* is a revolutionary model, uniquely built with a very high level of innovation for a yacht of this size.

Thanks to new glazed parapets balustrades, the external lines are enriched by elegant, transparent barriers which offer breathtaking views both from the flybridge and the aft cockpit. In a new progression of our cockpit design, it does not include fixed elements or furniture, and can be furnished according to the owner's needs. Moreover, thanks to two convenient side stairwells, the large swim platform is easily accessed for you to enjoy right at the water's edge. Adjacent to the platform, a fixed corridor offers direct access to the crew cabin.

This boat represents an incredible evolution both for our shipyard and the shipowner, offering high versatility of use and unparalleled livability in all areas, with no compromises.
