Engines: 2

Manufacturer: Detroit Diesel

Model: 16V92TA

Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

Description

Vessel Walkthrough

Entering from the cockpit, one notices the larger than normal size salon, due to the "cut down" galley. The oak interior and blinds blend pleasingly with the navy blue L-shaped sofa, chair and burl cocktail table. The carpet is a beige/cream with a blue-green valance and cream labrequins. An icemaker is located in the dinette across from the galley where the seating is raised and allows you to see out the windows. The galley has Corian countertops, white sink, and 4-burner stove with the microwave above it. Refrigeration, 15 bottle wine cooler, dishwasher, freezer and refrigerator are underneath the counter. Forward and down a semi-spiraling set of stairs; spiraled only in the 4-stateroom, 3-head layout, proceed aft to a bunk stateroom or forward to the additional three staterooms. The master has a beautiful striped burgundy, gold, and navy bedspread with plaid red, blue, and green spread in the VIP forward. The enclosed flybridge has a control station immediately aft of the door and on the inside.

Seating is a navy colored bench behind two Stidd adjustable captain's chairs. This station has a compliment of electronics that would be envied on a boat twice this size.

Master Stateroom

This spacious area features a full walk around queen berth, carpeting, Mitsubishi 20" television, stereo with CD player, hanging lockers, drawers, huge storage under the bed and very tasteful decor. A large ensuite head includes Jacuzzi tub, shower, lavatory, head, medicine cabinet and plenty of storage. NOTE: The decor scheme is highly upgraded from standard to include custom cabinet faces, flooring, wall coverings, counters and fixtures.

VIP Stateroom

Entering the VIP stateroom, one finds a full queen berth, hanging locker, drawer space, carpeting, television, stereo, and separate access to the large head.

Guest Stateroom

This guest stateroom includes upper and lower berths, hanging lockers, drawer space, stereo, and a separate entrance to the head.

Salon

Remarks

"Premium" features the "rare" 4-stateroom layout with the new curved stairwell to the companionway, frameless windows and propeller pockets to reduce draft. In 1997, Hatteras upgraded the ZF transmission and running gear to withstand the pressures of higher horsepower engines. "Premium" has had meticulous care throughout her life and it shows in the "tidy engine room, glossy paint and clean interior. An extensive equipment list including Naiad stabilizers rounds out this very attractive, quality yacht. This boat has been immaculately maintained by a fastidious captain working for a demanding owner with an open checkbook. Seller is ready to sell and will consider all offers and trades.

New Features

NEW exhaust risers NEW 2010 S & S 6 Blade Wheels Shaft & engine alignment NEW Cockpit grill (Jan. 2012) NEW Convection GE Profile NEW Glass Cooktop NEW Carpet (2009) NEW Salon U-Line Ice maker (2009) Upgraded Master & VIP TV's NEW Galley Refrigerator (2007) Eskimo (Refurbished) Chair Re-upholstered NEW Cockpit Speakers Windows resealed (2008)
