SPECIFICATIONS

Overview

The 49.90m Trinity Yacht-built motor yacht WHITE STAR is offered for sale and following a major refit in 2017 at the renowned Pendennis yard she has benefitted from an extension by three metres in length and the addition of a brand-new sky deck. During her most recent yard period in 2019, WHITE STAR also completed her 15 Year Survey. As well, she has been continuously upgraded and maintained throughout. WHITE STAR interiors by Dee Robinson are classic, with mahogany cabinetry complemented by nautical navy-and-white furnishings. One of her most innovative features is the 360-degree multipurpose sky deck with a large circular bi-directional sunpad, a clever addition and optimal use of space. WHITE STAR can accommodate 10 guests across five cabins, including an upper deck Owner's suite with private terrace and Jacuzzi. The rest of the guest accommodation comprises two doubles and two twins on the lower deck. Powered by twin Caterpillar 2,250hp engines, WHITE STAR has a top speed of 19 knots and cruises at 13 knots. She comes with a Castoldi jet tender and a pair of Sea-Doo Spark Jet-skis, all new in 2017, plus a raft of other water toys, all of which can be accessed from her generous swim platform.
