SPECIFICATIONS

Overview

TEMBEA measures 27-meters and has a beam of 7.30 meters. On board you can notice her large volumes, very rare in a yacht of this type and size. The yacht has all the cabins on the lower deck and can accommodate up to 10 guests in the following layout: 1 owner's cabin, 1 VIP cabin, and 2 TWIN cabins. Both TWIN cabins are equipped with an extra Pullman bed.

The indoor shared areas include a large living room with a separate dining area able to accommodate 8 to 10 guests. A fully equipped kitchen is located next to the dining area for complete practicality and comfort.

Outside, on the main deck aft, there is a large table with chairs and sofa, mostly used for dining during the summer season, but can also be an optimal spot to socialize with friends during the day. At the bow, on the other hand, there are some mattresses for relaxing and sunbathing.

On the fly-bridge, there is another area with exceptional volumes, sheltered from the sun during the warm summer days. Sun loungers with table and chairs equip this area, for unlimited relaxation and comfort on board.
