Overview

This **Sunseeker 82 Yacht** is a splendid blend of elegance with cherrywood interior and sportsmanship. Privately owned and never been chartered. With 4 elegantly styled cabins, sleeping eight guests, this is the perfect yacht for long family vacations or larger parties seeking sleek, modern cruising. Its layout and the design of its underbody, based, naturally, on continually evolving technology, reflect all the experience of luxury yachts gained by the British builder.

The cabins onboard are beautifully finished, and all feature the latest and updated in onboard entertainment systems, as well as the very finest ensuite bathrooms. The owner's stateroom is full beam and is overwhelming in its size and grandeur.

Continuing toward the bow, there is a cabin with twin beds to starboard while a little further forward, to port, there is a guest cabin with bunk beds.

These rooms have a separate bathroom with a shower cubicle and sanitary fittings. The deck ends at the bow in a VIP stateroom which is extremely comfortably and richly fitted out, like the owner's cabin, with en-suite bathroom but with shower cubicle instead of a bath.

On the main deck, following current fashion, are distinct areas like the lounge, dining room, galley and inside wheelhouse.

The outdoor areas onboard are a delight and offer plenty of room for relaxing or socialising.

The flybridge is characterised by its steering position to port, and there is a sofa for three people which is slightly off centre to allow maximum accessibility to the steering position. Behind there is a spacious area where can be fitted some sofas, dining area, and a bar according to the tastes of the new owner.

A glimpse of the work done recently:

- Teck
- New flybridge (2021), new cushions, new bimini
- New crew area
- Latest Wifi system
- Denon Hifi system
- Fully revised AC system

- New chargers
- New water tank
- Latest navigation (Touchscreen Simrad screen)
- Yacht Controller Dual Band remote (to help manoeuvre the boat without being in the wheelhouse)
