SPECIFICATIONS

Overview

Each PALM YACHTS catamaran is built as a 'lifetime ownership' vessel and to the highest standards using the best materials and equipment available. Every detail has been considered for it's high quality, lasting a lifetime, and its environmental credentials and impact.

PALM YACHTS feature 'premium brand' equipment and materials at every level including the on-board systems.

Elegant and timeless lines make the Palm 55 stand out from the crowd.

Her triple vertical ports in each cabin offer views of both the sea and the sky and fill the cabin with natural light.

With a number of unique features and unrivalled systems the Palm 55 offers owners the ultimate cruising catamaran.

Built from Recycled aluminium, the Palm 55 offers customers a customisable vessel which includes silent, emission and vibration free, environmentally friendly propulsion via a choice of our exclusive ZERO-E (electric), ZERO-H (Hydrogen) and ZERO-HY (diesel electric hybrid) propulsion and on-board power systems.
