SPECIFICATIONS

Overview

Beautifully styled and meticulously finished, her huge wraparound cockpit lounge—combined with a reversible companion seat—can seat 6–8 people in genuine comfort. Like all Cobalts, the 302 is loaded with sophisticated refinements like topstitched vinyl upholstery, leather-wrapped steering wheel, molded-in hull graphics, and little touches such as speakers molded into the cockpit at precise angles for ideal acoustics all around. Standard features include an aft sun pad with walk-thru transom, air compressor, dinette cockpit table, enclosed head with sink and vacuuflush potty, wet bar with refrigerator, trash bin, double helm and companion seats, thru-stem anchor system, scuff plate, and an extended swim platform with boarding ladder. Built on a Kevlar reinforced hull with a sharp bow entry and relatively high freeboard, twin 320hp 6.2L MerCruiser I/Os deliver a top speed of about 45 knots.

Basic Information

Category: Boats

Sub Category: Bow Rider

Model Year: 2008

Year Built: 2008

Country: United States
